

PHYSICAL EDUCATION AND SPORTS SCHEME OF WORK FOR P1 TERM 1, 2 AND 3

Name		Academic year	
School		No of pupils	
Class	P1	Term	1
Subject	Physical Education and Sports	Number of periods per week	1

UNIT 1

Unit title	Motor control	Periods : 3						
Key unit competence		<i>Pupils will be able to carry out basic body movement, stretching and relaxation exercises and games</i>						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities/approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
Week 1: 8-12 Sept 2025	<i>Lesson 1: Exercises or games intended to warm up the body and muscles (1 period).</i>	To perform warm-up exercises and games that prepare their bodies for physical activities and sports, improve flexibility and coordination, prevent injuries,	Pupils should learn and understand the following keywords related to physical and sports activities: To run, to listen, to	Pupils discuss the importance of doing warm up exercises to their bodies. In teams, pupils play games to warm up and stretch their bodies and muscles.	Sport facilities, whistle, sticks, rope, cones, chalks, another object to use easily.	Using observation checklist, the teacher assesses how pupils understand the importance of warm up exercise and perform warm up exercises during practical tasks.	Physical Education and Sports (PES) Syllabus for lower primary (2025).	

Unit title	Motor control					Periods : 3		
Key unit competence		Pupils will be able to carry out basic body movement, stretching and relaxation exercises and games						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities/approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
			stop, to touch, to stand up, to sit, hot, cold, fast, slow, warm, cool, good.				Physical Education and Sports Teacher’s Guide for P1	
WEEK 2: 15-19 Sept 2025	Lesson 2: Stretching and relaxation exercises (1 period).	To practise stretching and relaxation exercises to improve flexibility, prevent injuries, and promote relaxation.	Pupils should learn and understand the following keywords related to physical and sports activities: To squat, to bend, to stretch, to relax.	Pupils do stretching exercises for different body parts. In a circle, pupils walk slowly, breathe deeply, and stretch	Sports facilities, whistle, chinks, cones.	Through practical tasks and demonstration with observation checklist and rubrics, the teacher assesses how pupils perform stretching and relaxation exercises to improve their flexibility and prevent injuries.		

Unit title	Motor control						Periods : 3	
Key unit competence		Pupils will be able to carry out basic body movement, stretching and relaxation exercises and games						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities/approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
				their arms, legs, and toes to cool down and relax.				
WEEK 3: 22-26 Sept 2025	Lesson 3: End of unit practical assessment (1 period)	To assess pupils’ ability to carry out basic body movement, stretching and relaxation exercises and games.		Pupils perform basic body movement, stretching and relaxation exercises and games.	Sport facilities (playground/field/court or open and safe space available at school), whistle, sticks, rope, cones, and chalks.	Through playing games, the teacher uses observation checklists and rubrics, to assess how pupils follow instructions, move safely and control their bodies.		

UNIT 2

Unit title	Movement and coordination					Periods : 3		
Key unit competence		Pupils will be able to practice different exercises and games to improve movement and coordination						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities/approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
Week 4: 29/9-3/10/2025	Lesson 1: Exercises and games that build coordination, movement, and position control (1 period).	Practise exercises and games to improve movement and Coordination, and learn to hold and take body positions correctly.	should learn and understand the following keywords related to physical and sports activities: Movement , coordination, position, parallel line, to march.	Teacher observes how pupils follow instructions, on two parallel lines, pupils perform the exercise by moving in line and taking correct positions.	Sports facilities, whistle, sticks, rope, chalks, another and object to be used by the teacher during the lesson.	Using observation checklist and practical tasks, the teacher assesses how pupils do exercises and games that improve movement and coordination	Physical Education and Sports (PES) Syllabus for lower primary (2025). Physical Education and Sports Teacher's Guide for P1	
WEEK 5: 6-10/10/2025	Lesson 2: Exercises and games that improve fair	Pupils should be able to do	Pupils should learn and	In groups, pupils play the game to learn	Sports facilities,	Using observation checklist	Physical Education and Sports (PES)	

Unit title	Movement and coordination						Periods : 3	
Key unit competence		Pupils will be able to practice different exercises and games to improve movement and coordination						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities/approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
	play and cooperation (1 period).	exercises and games that teach them to share, help each other, teamwork and cooperation.	understand the following keywords related to physical and sports activities: Fair play, cooperation, friendship, to kneel down.	sharing, helping each other, teamwork, and cooperation.	whistle, chalks, cones.	and practical tasks, the teacher assesses how pupils do exercises and games that teach them to share, help each other, teamwork and cooperation.	Syllabus for lower primary (2025). Physical Education and Sports Teacher’s Guide for P1	
WEEK 6: 13-17/10/2025	Lesson 3: End of unit practical assessment (1 period).	The teacher evaluates how pupils are doing exercises and games with self-confidence, while	Pupils should learn and understand the following	In the game situation and physical exercises practical tasks, pupils follow	Sport facilities (playground/field/court or open and safe space available at	Using observation checklist and practical tasks, the	Physical Education and Sports (PES) Syllabus for lower primary (2025).	

Unit title	Movement and coordination					Periods : 3		
Key unit competence		<i>Pupils will be able to practice different exercises and games to improve movement and coordination</i>						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities/approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
		showing good teamwork and friendship during games.	keywords related to physical and sports activities: Movement coordination, position, parallel line, to march, fair play, cooperation, friendship, to kneel down	instructions, move safely and correctly using coordination skills, play confidently, cooperate, and show teamwork.	school), whistle, sticks, rope, cones, and chalks.	teacher assesses how pupils perform exercises and games with self-confidence, showing teamwork.	Physical Education and Sports Teacher’s Guide for P1	

UNIT 3

Unit title		Physical Exercises and Games						Periods : 5
Key unit competence		<i>Pupils will be able to practice fun exercises and games to improve skills and fitness.</i>						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities/approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
Week 7: 20-24/10/2025	Lesson 1: <i>Exercises and games of running over short distances. (1period).</i>	Pupils should be able to do exercises of running that increase their strengths.	Pupils should learn and understand the following keywords related to physical and sports activities: To jump, a rope, opposite, position, starting line, finishing line, a cone, short distance,	In teams, pupils play games to practice speed and body control.	Sport facilities (playground/field/court or open and safe space available at school), whistle, cones, balls, and ropes	Using observation checklist and practical tasks, the teacher assesses how pupils perform exercises of running to increase their strengths.	Physical Education and Sports (PES) Syllabus for lower primary (2025). Physical Education and Sports Teacher's Guide for P1	

Unit title	Physical Exercises and Games						Periods : 5	
Key unit competence		Pupils will be able to practice fun exercises and games to improve skills and fitness.

UNIT 6

UNIT 6: Health and well-being

Number of Periods: 3

Key unit competence		<i>Pupils will be able to play fun games and exercises to stay healthy and clean</i>						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities/approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
Week 7: 1-5/6/2026	Lesson 1: <i>Physical exercises and games that promote body cleanliness (1period).</i>	Pupils should be able to perform physical exercises and games that help in keeping the body clean, and understand how movement and sweating help remove dirt and waste from the body.	Pupils should learn and understand the following keywords related to physical and sports activities: To wash, to sweat, to clean, physical exercise.	In teams, pupils play the games to learn how to keep their bodies clean while staying active.	Field, whistle, stick, ropes and cones, clean water, cup for each child, piece soap for each team, a bucket of water with tap per team, chalk, at least one old piece of paper per child and one bucket/ basket per team for throwing in wastes.	Using observation checklist and rubrics, the teacher assesses how pupils perform physical exercises and games that help in keeping the body clean and understand how movement and sweating help to remove dirt and waste from the body.	Physical Education and Sports (PES) Syllabus for lower primary (2025). Physical Education and Sports Teacher's Guide for P1	

Week 8: 8-12/6/2026	Lesson 2: <i>Physical exercises that prevent diseases caused by a lack of good hygiene (1period).</i>	Pupils should be able to do physical exercises that support good hygiene and explain how staying clean helps prevent diseases caused by poor hygiene.	Pupils should learn and understand the following keywords related to physical and sports activities: To prevent, diseases, hygiene, healthy.	In groups, pupils play the games to promote good hygiene practices through fun and movement.	Field, whistle, stick, ropes, cones, water, soap, step and wash (Kandagira ukarabe), brooms, mopping sticks and hoe, and dustbin.	Using observation checklist and rubrics, the teacher assesses how pupils do physical exercises that support good hygiene and explain how staying clean helps to prevent diseases caused by poor hygiene.		
-------------------------------	---	---	--	--	---	--	--	--

Week 9: 15-19/6/2026	Lesson 3: <i>End of unit practical assessment (1period).</i>	The Teacher should observe how pupils are doing physical exercises and games during the practical assessment.		Through the game, the teacher observes how pupils actively participate, follow safety rules, show fairness, work well in teams, try their best, respect others, and maintain good personal hygiene throughout the whole activity.	Sport facilities(play ground/field/court or open and safe space available at school), whistle, stick, ropes, cones, clean water, cup for each child, piece of soap, bucket of water with tap, chalk, old piece of paper, bucket/basket for throwing wastes, step and wash tool (Kandagira ukarabe), brooms, mopping sticks, hoe, dustbins.	Using observation checklist and rubrics, the teacher assesses how pupil work well in while playing the games related to diseases prevention.
