

NATIONAL SCHEME OF WORK OF PRIMARY THREE SOCIAL AND RELIGIOUS EDUCATION

Name		Academic year	2025-2026
School		Number of students	
Class	P3	Term	
UNIT TITLE 1	Social and Religious studies	Number of periods per week	<i>Two units of Social Studies will be taught, followed by one unit of Religious Education and the sequence continues.</i>

TERM I

UNIT TITLE 1	Unit 1: AN EXTENDED FAMILY							Periods: 4 Periods
Key Unit Competence: To demonstrate the importance of fulfilling duties in the extended family and the dangers of not doing it.								
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities /Approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks

Week 1 8-12 September 2025	Lesson1: - Duties of an extended Family - Effects of failing to fulfil duties in an extended family (2periods)	- To be able to explain the importance of fulfilling duties in an extended family - To be able to explain the effects of failing to fulfil duties in an extended family	- Duties of an extended family member. - Effects of failing to fulfil duties in an extended family.	- Discuss duties of each member in an extended family. - Find the dangers of not fulfilling duties in an extended family	Pictures and photos showing the how extended family members fulfil their responsibilities	Questioning and answering Through brainstorming learners will be able to explain the importance of fulfilling responsibilities	Social Studies and Religious Education, Pupils 'Book, P3 Social Studies and Religious Education, Teacher's Guide, P3	
WEEK 2: 15-19 September 2025	Lesson 3: - Proper management of assets in an extended family/ 1 period - End of unit assessment/ 1 period	To be able to explain the importance of different kinds of assets of the extended family and ways of managing them.	Proper management of family assets	discuss different ways of managing extended family assets and their importance.	Pictures and photos showing the how extended family members fulfil their responsibilities	Questioning and answering Through brainstorming learners will be able to explain the importance of fulfilling responsibilities		
UNIT TITLE 2	UNIT 2: OUR SECTOR						Periods: 4	

Key Unit Competence: To respect and ask for service from the administration of the sector and protect its main infrastructure.

Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities /Approaches	Teaching and learning aids	Assessment strategies	References	Weekly observation/Remarks
WEEK 3: 22- 26 September 2025	Lesson 1: Major physical features and infrastructure located in our sector / 2 periods	Find out major physical features and infrastructure located in our sector • Indicate the main infrastructure of his or her sector	Major physical features and infrastructure located in our sector: Physical features of our sector Infrastructure	Carry out a field trip to observe the main physical features and infrastructure near the school. Then, examine their importance and share the finding with classmates.	District map, sector map, picture showing main infrastructure located in the sector.	Questioning and answering Through brainstorming learners will be able to explain the importance of fulfilling responsibilities	Social Studies and Religious Education, Pupils' Book, P3 Social Studies and Religious Education, Teacher's Guide, P3	

WEEK 4 29 September – 03 October 2025	Lesson2: Leaders of the sector and their responsibilities (1 period) End of unity assessment / 1 period	List the sector leaders, their responsibilities and duties		Leaders of the sector and their responsibili ties - Responsibili ties of the sector.	discuss in groups to identify the sector leaders and the responsibilities of the sector. Then, present in whole class		Social studies and religious education, Pupils ‘book, p3 Social studies and religious education, Teacher’s guide, p3	
UNIT TITLE 3	UNIT 3: RESPECT OF GOD’S CREATURE							8 periods
	KEY UNIT COMPETENCE: Learner will be able to respect and care for all the creatures in his/ her environment							
Dates/weeks	Title/periods	Learning objective	Content summary	Teaching and learning activities / Approach es	Teaching and learning aids	Assessment strategies	References	Weekly observati on/Remar ks
WEEK 5 06-10 October 2025	Lesson 1: God’s creatures and human-made things have made / 2 periods	- To be able to understand how God’s creatures are different from things made by humans	- God’s creatures and the things that human beings have made	In group, After observatio n of teaching materials, pupils will:	Materials from nature: Flowers, stones, a piece of wood from a tree, etc.	In group, Different things made by God and man-made will be presented and pupils will choose among them what are Created by God and other	Social Studies and Religious Education, Pupils ‘Book, P3 Social Studies and	

				- Identify things created by God and things made by man. - Make difference between God's creatures and things made by human beings.	Things made by humans: plastic bottles, a T-shirt, a chair, a desk or table, books, pencils, cups, etc.	ones made by man. - Each group present its answers - Teacher corrects each group work and gives feedback. In groups, explain ways to protect God's creatures and show respect to them.	Religious Education, Teacher's Guide, P3	
--	--	--	--	--	---	---	--	--

WEEK 6 13-17 October 2025	Lesson 2: God's creatures need each other to live / 2 periods	To see how all God's creatures depend on each other.	- God's creatures need each other to live	Pupils discuss the importanc e of God's creatures, their interdepen dence	Picture cards or Manila paper with pictures of animals, plants, the sun, water, and humans.	Brainstorming and question and answer	Social Studies and Religious Education, Pupils 'Book, P3 Social Studies and Religious Education, Teacher's Guide, P3	
WEEK 7 20-24 October 2025	Lesson 3: Protection of God's Creatures / 2periods	To have a positive attitude to protecting all of God's creatures	Participate in different activities of Protecting God's creatures Protection of God's creatures	Explain ways to protect God's creatures	Internet, Religious books, illustration s, movies on the topic, Pictures	Brainstorming on the way each learner will participate in activities of Protecting God's creatures.	Social Studies and Religious Education, Pupils 'Book, P3 Social Studies and Religious Education, Teacher's Guide, P3	

WEEK 8 27-31 October 2025	Lesson 4: Respect for God’s Creatures/ 1 period End Unit assessment / 1 period	To respect all God’s creatures in his or her environment.	. Respect for God’s creatures	Explain ways to protect God’s creatures and show respect to them.	Internet, Religious books, illustration s, movies on the topic, Pictures	- Brainstorming on different ways to show respect for all the creatures. - End unit assessment	Social Studies and Religious Education, Pupils ‘Book, P3 Social Studies and Religious Education, Teacher’s Guide, P3	
UNIT TITLE 4	UNIT4: HYGIENE						9 Periods	
	Key Unit Competence: To describe how personal, school and home hygiene is done and explain measures to prevent the dangers of poor hygiene							
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities / Approach es	Teaching and learning aids	Assessment strategies	References	Weekly observatio n/Remarks
WEEK 9 03-07 November 2025	Lesson 1: Hygiene at school and at home / 2 periods	Identify different ways of practicing school and home hygiene.	Hygiene at school and at home	Brainsto rming and Discussio n Activity:	Different hygiene materials, pictures showing hygiene activities	Brainstorming on Ability to adopt personal, school and home hygiene.	Social studies and religious education, Pupils ‘book, p3	

				Engage learners in a guided discussion on “Daily practices that help us stay clean.” Together, generate ideas and organize them into two categories : home hygiene and school hygiene.	and pictures showing infectious diseases.		Social studies and religious education, Teacher’s guide, p3	
--	--	--	--	--	---	--	---	--

				Demonstration and Practice Approach : Model the correct steps of handwashing with soap and water, then support learners to practice the procedure until they can demonstrate it independently.				
--	--	--	--	--	--	--	--	--

WEEK 10 10-14 November 2025	Lesson 2: Importance of good hygiene and dangers of poor hygiene/ 2 periods	Explain the importance of good hygiene and dangers of poor hygiene.	Importance of good hygiene and dangers of poor hygiene	Discuss the importance of good hygiene at home and at school, as well as the dangers of poor hygiene in these places.	Different hygiene materials, pictures showing hygiene activities and pictures showing infectious diseases	Oral questions: - Question and answer.	Social Studies and Religious Education, Pupils 'Book, P3 Social Studies and Religious Education, Teacher's Guide, P3	
WEEK 11 17-21 November 2025	Lesson 3: Hygiene of private parts/ 1 period Importance of proper hygiene	To be able to show how he/she can clean private parts.	Hygiene of private parts	• Divide the class into small groups. • Give each a topic: for example, female and	Visual aids, education video, hygiene kits, printable worksheets and	Oral questions: Question and answer on ways of maintaining the hygiene of private parts for them as male and female.	Social Studies and Religious Education, Pupils 'Book, P3 Social Studies and	

	of private parts/ 1 period			male hygiene, body odour. • Each group presents tips for good hygiene.	posters, role play and scenario cards, hygiene flashcards, interactive digital tools.		Religious Education, Teacher's Guide, P3	
WEEK 12 24-28 November 2025	Lesson 4: Importance of proper hygiene of private parts / 1 period Dangers of poor hygiene of Private parts / 1 period	To be able to demonstrate appropriate hygiene practices to prevent infections and promote personal well-being. Identify the dangers of not keeping private parts clean.	Importance of proper hygiene of private parts. Dangers of poor hygiene of the private parts	Group discussion : “What happens if we don’t stay clean?” • Scenario-based role-play • Personal hygiene checklist creation • Hygiene myths quiz (true/false)	- Printable teaching materials , - Educational videos, - interactive teaching aids	Oral Questions: Challenging Activities. Statement is given and Learners answer by true or false . / Correct or incorrect.	Social Studies and Religious Education, Pupils 'Book, P3 Social Studies and Religious Education, Teacher's Guide, P3	
WEEK 13	Lesson 7: End unit assessment/ 1 period							

01-05 December 2025									
UNIT TITLE 5	UNIT 5: RELATIONSHIPS AND GOOD BEHAVIOURS							Periods: 1 Period	
	Key Unit Competence: To adopt the culture of self- respect and respect of humanity								
Dates/weeks		Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities / Approach es	Teaching and learning aids	Assessment strategies	References	Weekly observatio n/Remarks
WEEK 13 01-05 December 2026		Lesson1: Basic human rights/ 1 period	Explain ways of respecting basic human rights and diversity	Basic human rights – Basic human rights (in any place and in any state he or she is)	Role-play in groups games that show different ways of respecting basic rights	Chart paper with a list of good values • Pictures showing children helping an old person • Chart paper	Group discussion and teacher moderation: on ways of respect human right	Social Studies and Religious Education, Pupils ‘Book, P3 Social Studies and Religious Education, Teacher’s Guide, P3	

TERM II								
UNIT TITLE 5		UNIT5: RELATIONSHIPS AND GOOD BEHAVIOURS						Periods: 5 Periods
	Key Unit Competence: To adopt the culture of self- respect and respect of humanity							
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities / Approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
WEEK 1 05- 09 January 2026	Lesson 1: 1. Basic human rights/1 period 2. Good behaviours and values/1period	Explain ways of respecting basic human rights and diversity Indicate good behaviours and values that a child should adopt.	– Basic human rights (in any place and in any state he or she is) - Good behaviours and values.	Role-play in groups games that show different ways of respecting basic rights	Chart paper with a list of good values • Pictures showing children helping an old person • Chart paper	Question and answer on ways of respect human right	Social Studies and Religious Education, Pupils ‘Book, P3 Social Studies and Religious Education, Teacher’s Guide, P3	
WEEK 2 12 – 16 January 2026	Lesson 2: 1. Good behaviours	To be able to indicate good behaviours and values that a child should adopt and provide relevant examples	Good behaviors and values	- In groups, pupils will	- Role plays - Story telling	Question and answers on Scenarios and statements where	Social Studies and Religious Education,	

	and values/ 1period 2. Examples of people who have demonstrated good values in Rwandan Society / 1 period	from his/her society.		discuss important values they should have within their local community. - In groups, pupils will discuss examples of people who have demonstrated good behaviour and values in their local area	- Pictures	by learners have to choose correct or incorrect behaviours or values,	Pupils 'Book, P3 Social Studies and Religious Education, Teacher's Guide, P3 -	
--	---	------------------------------	--	---	--------------------------	--	---	--

				and in Rwandan society in general.

--	--	--	--	---	--	--	--	--

WEEK 3: 19- 23 January 2026	Lesson 3: End unit assessment / 1period Remedial activities.							
UNIT TITLE 6		UNIT 6: Not doing wrong and asking God’s forgiveness						7 Periods
	Key Unit competence: A learner will be able to explain why to behave well and how to ask for forgiveness.							
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities / Approach es	Teaching and learning aids	Assessment	References	Weekly observati on/Remar ks

WEEK 3: 19- 23 January 2026	Lesson 1 Talking about “doing the wrong things” /1period	1. To be able to explain the meaning of ‘wrongdoing’ (doing the wrong things) 2. To be able to give reasons why should we avoid doing the wrong things?	Talking about “doing the wrong things”	- Presentat ion and Observat ion of images - Listening to story and scenarios then say whether they indicate good and bad actions or values.	Pictures, storytelling and scenarios	Observation based on pictures Listening to storytelling and scenarios and answering to questions based on them.	Social Studies and Religious Education, Pupils ‘Book, P3 Social Studies and Religious Education, Teacher’s Guide, P3 -	

WEEK 4: 26-30 January 2026	Lesson 2 - Meaning of Wrongdoing /1 period - Why should we avoid wrongdoing things? /1 period	To be able to give reasons why we should avoid doing the wrong things in daily life.	1. Talking about “doing the wrong things” 2. Reasons why we should avoid doing the wrong things.	- Presentation and Observation of images - Listening to story and scenarios then say whether they indicate good and bad actions or values.	Pictures, storytelling and scenarios	Observation based on pictures Listening to storytelling and scenarios and answering to questions based on them	Social Studies and Religious Education, Pupils ‘Book, P3 Social Studies and Religious Education, Teacher’s Guide, P3	
WEEK 5 2-6 February 2026	Lesson 3: How can we avoid doing the wrong (bad) things / 1 period	To give ways to avoid wrongdoing in daily life.	Reasons why we should avoid doing the wrong things.	- Observation of images Listening to story and scenarios then say whether	Pictures, storytelling and scenarios	Observation Based on Pictures	Social Studies and Religious Education, Pupils ‘Book, P3 Social Studies and	

				they indicate good and bad actions or values.			Religious Education, Teacher's Guide, P3	
WEEK 6: 09-13 February 2026	How to avoid wrongdoing /2periods		Ways to avoid wrongdoing.	Give a list of actions, pictures and scenarios and learners tell why they are wrongdoing or not. Propose the right actions to take.	Pictures, Scenarios,	Observation based on pictures Listening to storytelling and scenarios and answering to questions based on them.	Social Studies and Religious Education, Pupils 'Book, P3 Social Studies and Religious Education, Teacher's Guide, P3	
WEEK7 16-20 February 2026	Asking for Forgiveness	To explain why we should ask for forgiveness	Development of the culture of	In groups, pupils explain the	Pictures, scenarios and storytelling	Storytelling and scenarios Hanged pictures	Social Studies and Religious Education,	

	End unit assessment /1period		Asking for forgiveness	importance and steps for asking for forgiveness.		And learner say whether it indicates a good or bad action or value	Pupils 'Book, P3 Social Studies and Religious Education, Teacher's Guide, P3	
Unit: 7 Economy								
Key Unit Competence: Be able to adopt the culture of saving and avoiding overspending								
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities / Approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
WEEK 8: 23-27 February 2026	Lesson 1: Sources and proper use of money /2 periods	To be able to identify different sources of money and how it is spent.	Sources and proper use of money	Presentation and observation of pictures and then In groups, pupils will identify various sources of money and demonstrate proper ways of using it.	Flash cards, photos with illustration of persons working as businessmen/women, civil servant, technician, who work to gain money. • Teacher can also use the story telling on how people can gain money.	Different scenarios and statements will be presented, and learners will sort those which present sources and / or proper use of money.	Social Studies and Religious Education, Pupils 'Book, P3 Social Studies and Religious Education, Teacher's Guide, P3	2 Periods

				Presentation of founding.	(Example from buying land, ...			
WEEK 9: 02-06 Mars 2026	Lesson 2: Ways of saving	To be able to explain proper ways of using money, the importance of saving and the dangers of not saving	Ways of saving • Ways of saving. • Importance of saving • Dangers of not saving	Discussion in groups the different ways of saving money, the importance of saving, and the dangers of not saving. Presentation of their findings.	• Use of storytelling on Importance of saving money and danger of not saving money.	Presentation of Statements showing the importance of saving money and the dangers of not saving money.	Social Studies and Religious Education, Pupils ‘Book, P3 Social Studies and Religious Education, Teacher’s Guide, P3	
2.End unit assessment/ 1 period								
UNIT TITLE 8		UNIT 8: ENVIRONMENT IN THE SECTOR						4 periods
Key Unit Competence: To identify and locate features in the environment in the sector using a map								
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities/ Approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks

WEEK 10: 09-13 Mars 2026	Lesson 1: Direction: Four important directions / 2 periods	To able to indicate where people and things are located using four important directions .	Direction: Four important directions – The four cardinal directions – Main places in our sector (schools, hospitals , health centres,	- Presentation of the cardinal direction map, Pictures, flash cards with pictures, directions and places, - Individual observation of presented materials - Asking questions on observed materials - Answering questions one by one.	- A map showing the four cardinal directions. - Pictures, flash cards with pictures, directions and places.	Asking oral questions based on presented materials - Individual written work - General and individual correction - Give feedback.	Social Studies and Religious Education, Pupils 'Book, P3 Social Studies and Religious Education, Teacher's Guide, P3	
--	--	--	--	---	--	--	--	--

			genocide memoria l sites...) and services provided .					
--	--	--	---	--	--	--	--	--

WEEK 11 16-20 Mars 2026	2. Lesson 2 Types of environments, environmental protection, and effects of poor environmental management/ 2 periods.	To be able to state the importance of the environment, how to protect it and the effects of poor protection of environment in the sector.	– Different types of environments – Importance of environment – Protecting and saving the environment	In groups, pupils will discuss the main features found in the sector and locate them using compass directions. Where possible: Pupils will carry out a field trip to visit different places where environmental protection projects have succeeded (such as radical terraces, well-maintained gardens, etc.), as well as other areas where the environment is damaged. - After visit and observation, pupils	- School environmental elements (buildings, garden, Trees, etc) - Place where environment is well protected and another one where environment is damaged	- In group work, Observing different images reflecting protected and damaged environment features. And answering related questions.	Social Studies and Religious Education, Pupils 'Book, P3 Social Studies and Religious Education, Teacher's Guide, P3 -	
--	--	--	---	--	--	---	--	--

			- Dangers of not protecting our environment.	will suggest possible measures to protect environment in their localities. (where not possible, use photos or illustrations to show protected and damaged environment features)				
	Population in our sector	To able to explain the housing/ settlement in our village and sector	- The population in the school - School workers and their jobs - Settlement in the village where the school is located	- Pupils observe pictures of school workers and count them by sex. - Analyze and correct their findings with teacher's guidance. - Relate the count to understanding population in their village and sector.	Primary 3 Social studies and Religious Education books, flash cards, pictures of people carrying out population census, images, note on data of district, film, videos showing the population in sector.	- Ask pupils about school population, workers' roles, and village settlements; observe group discussions and drawings. - Pupils complete a worksheet/table on school population and	Social Studies and Religious Education, Pupils 'Book, P3 Social Studies and Religious Education, Teacher's Guide, P3	

						settlement types. • Correctly identify people, roles, and housing; participate and explain clearly.		
TERM III 2025-2026								
UNIT TITLE 8	UNIT 8: ENVIRONMENT IN THE SECTOR							2 periods
Key Unit Competence: To identify and locate features in the environment in the sector.								
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities /Approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
WEEK 1: 20-24 April 2026	Lesson 1: Population / 1 period End unit assessment / 1 period	1. To be able to explain the housing/settlement in our village and sector.	Population in our sector - Number of pupils in our school. - Number of workers in our school and their jobs. Population in the village	- Identification of number of pupils in schools and workers in their jobs. - Discussion on population where the school is located	- Lists of pupils in their respective classes. Flash cards, pictures of people carrying out population census, images, note on data of district, film, videos showing	-Written individual work. - Questions and answers - General correction and giving feedback.	Social Studies and Religious Education, Pupils ‘Book, P3 Social Studies and Religious Education,	

			where the school is located		the population in sector.		Teacher’s Guide, P3	
Unit title 9	UNIT 9: PEACE AND JUSTICE							7 Periods
Key Unit Competence: The pupils will be able to explain the meaning of peace and the importance of living in a fair society								
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning activities / Approaches	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
WEEK 2: 27 April - 01 /May 2026	Lesson 2: 1. Meaning of peace and Justice /1period	- To be able to explain the meaning of peace and fairness - Explain the importance of peace and justice.	- Meaning of ‘peace’ and ‘justice’ - Impotence of peace and justice.	Teacher will distribute picture cards where written - ‘peace and ‘justice ‘ - In groups, Pupils will - Explain ‘peace ‘and ‘Justice ‘ - Based on their experience, discuss the reasons for	-Picture cards where are written ‘Peace ‘ ‘Justice’ - Kinyarwanda stories about peace, harmony and living happily in the community.
