	End unit assessment (1 period)							

Unit title 9	Population						Periods : 11	
Key unit competence		Analyse consequences of over population and ways to control population growth						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning technics/approach and activities	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
Week 11 16-20/03/2026 (2 periods)	Lesson 1: Faith and kind deeds as the identity a believer (1period) End unit assessment (1 period)	Describe a true Christian	A true Christian follows the teachings of Jesus, lives with love, faith, and obedience to God.	Learners work in pairs to connect kind deeds with key faith teachings and commit to practicing kindness. In groups, they explore the significance of faith and charity in their beliefs.	Sacred books, textbooks, prayer books, and photos	Pupils should be able to answer written questions about kind deeds to the important verses or teachings from their faith	SSRE teachers's book for Rwandan primary schools, page 144-147	

	Lesson 2: – Population distribution in our Province. (Sparsely populated, Over populated). (2 periods) Remediation	Explain factors that influence population distribution	Availabilit y of water Economic opportunit ies Climate conditions	-Make an out classroom activity and observe how people are distributed in area and make a report about their findings to the class.	Picture s, Films Videos	Through group presentation from the pupils’ discussion, they should be able to explain factors that influence population distribution	SSRE teachers’s book for Rwandan primary schools, page 95-97	
Week 12 23- 27/03/20 26								
Week 13 30/03- 03/04/20 26								

TERM III

Unit title: 9	Population	Periods : 11						
Key unit competence		Analyse consequences of over population and ways to control population growth						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning technics/approach and activities	Teaching and learning aids	Assessment	References	Weekly observ ation/R emarks
Week 1 20-24/04/2026	Lesson 3: Problems associated with overpopulation. (3 periods)	Analyse problems associated with overpopulation and ways of controlling population growth	Shortage of resources Unemployment Environmental degradation	Pupils in groups will discuss measure problems of population growth and make class presentation followed by questions and answers	Pictures, Films Videos	Pupils should be able to discuss the measure problems population growth and make class presentation followed by questions & answers	SSRE teacher's book for Rwandan primary schools, page 95-97	

Unit title: 9		Population					Periods : 11	
Key unit competence		Analyse consequences of over population and ways to control population growth						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning technics/approach and activities	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
	Lesson 4: Importance of controlling population growth. (1 period) Remediation	Explain the Importance of controlling population growth	-Importance of controlling population growth. -Population increase and decrease -Population density	Pupils in groups will discuss measures of controlling population growth and make class presentation followed by questions and answers	Pictures, Films Videos	-Discussing about the measures of controlling population growth and make class presentation	SSRE teachers’s book for Rwandan primary schools, page 97-98	

Unit title: 9	Population						Periods : 11	
Key unit competence		Analyse consequences of over population and ways to control population growth						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning technics/approach and activities	Teaching and learning aids	Assessment	References	Weekly observ ation/R emarks
WEEK 2 27-01/05/2026	Lesson 5: Population increase and decrease (2 periods)	Identify the effects of population increase and decrease	Positive effects of increase and decrease Negative effects of increase and decrease	Pupils in groups will discuss the positive and negative effects of population increase and decrease then make class presentation followed by questions and answers	Pictures, Films Videos	Groups discussion about the positive and negative effects of population increase and decrease then class presentation followed by questions and answers	SSRE P5 pupil’s book for Rwanda primary schools page 70-71	

Unit title: 9		Population					Periods : 11	
Key unit competence		Analyse consequences of over population and ways to control population growth						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning technics/approach and activities	Teaching and learning aids	Assessment	References	Weekly observation/R remarks
	Lesson 6: Population census (2 periods)	-Define population census -Calculate population density of a place	Population density	Pupils will be guided to discuss in groups the meaning of population census and the information required during population census.	Charts and Posters Maps Videos or Animations	Pupils should be able to discuss in groups the meaning of population census and the information required during population census then present to the whole class	SSRE teachers’s book for Rwandan primary schools, page 97-98	

Unit title: 9	Population						Periods : 11	
Key unit competence		Analyse consequences of over population and ways to control population growth						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning technics/approach and activities	Teaching and learning aids	Assessment	References	Weekly observ ation/R emarks
WEEK 2 27-01/05/2026	Lesson 7: Population increase and decrease (2 periods)	Identify the effects of population increase and decrease	Economic growth Overcrowding Increased labor force	Pupils in groups will discuss the positive and negative effects of population increase and decrease then make class presentation followed by questions and answers	Pictures, Films Videos	Groups discussion about the positive and negative effects of population increase and decrease then class presentation followed by questions and answers	SSRE P5 pupil's book for Rwanda primary schools page 70-71	

Unit title: 9		Population					Periods : 11	
Key unit competence		Analyse consequences of over population and ways to control population growth						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning technics/approach and activities	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
	Lesson 8: Population census (2 periods) 							

Unit title: 10	Colonial Rwanda						Periods : 17	
Key unit competence		Analyse important events of colonial Rwanda						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning technics/approach and activities	Teaching and learning aids	Assessment	References	Weekly observ ation/R emarks
Week 3 04-08/05/2026	Lesson 1: Causes of colonization (2 periods)	Define colonization and State the causes of colonialism.	Colonisation is the process of settling and taking control over another land. Colonial Rwanda.	Pupils in groups will discuss the causes of colonialism in Rwanda and present their findings	Images of colonial people who came to Rwanda Textbooks	Presentation of the findings from pupils’ groups.	SSRE teacher’s book for Rwandan primary schools, page 107-108	

Unit title: 10		Colonial Rwanda					Periods : 17	
Key unit competence		Analyse important events of colonial Rwanda						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning technics/approach and activities	Teaching and learning aids	Assessment	References	Weekly observ ation/R emarks
	Lesson 2: Reactions of Rwandans towards colonial rule (1 period)	Rwandans reacted to colonial rule with both cooperation and resistance, including revolts and demands for independence.	Reactions of Rwandans towards colonial rule	Pupils will discuss about Rwandan reaction and its impact to them towards colonization and make presentation to the class	Images of colonial people who came to Rwanda Textbooks	Class presentation followed by oral and written questions about reactions of Rwandans towards colonial rule	SSRE teacher’s book for Rwandan primary schools, page 109-110	
	Lesson 3 Musinga’s resistance to colonial rule (1 period)	Mention the impact of King Musinga, s resistance to colonial rule	Musinga’s resistance	Pupils will discuss about Musinga’s resistance to colonial rule and present their findings	Images of colonial people who came to Rwanda Textbooks	Class presentation followed by written questions	SSRE teacher’s book for Rwandan primary schools, page 110-111	
	Remediation							

Unit title: 10		Colonial Rwanda						Periods : 17
Key unit competence		Analyse important events of colonial Rwanda						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning technics/approach and activities	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
Week 4 11-15/05/2026	Lesson 4 Musinga's resistance to colonial rule (3 periods)	Mention the impact of King Musinga, s resistance to colonial rule	Musinga's resistance	Pupils will discuss about Musinga's resistance to colonial rule and present their findings	Images of colonial people who came to Rwanda Textbooks	Class presentation followed by written questions	SSRE teacher's book for Rwandan primary schools, page 110-111	
	Lesson 5:							
	Disintegration of the unity of Rwandans during colonial period Impact of Rwanda's resistance to colonial rule (1 period) Remediation	Analyse the factors for the disintegration of Rwanda Kingdom during the colonial times.	Rwanda Kingdom	Pupils will analyse the factors for the disintegration of Rwanda Kingdom during colonial period	Textbooks Videos	Class presentation about the factors for the disintegration of Rwanda Kingdom during colonial period	SSRE teacher's book for Rwandan primary schools, page 116-117	

Unit title: 10		Colonial Rwanda						Periods : 17
Key unit competence		Analyse important events of colonial Rwanda						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning technics/approach and activities	Teaching and learning aids	Assessment	References	Weekly observation/R remarks
Week 5 18-22/05/2026	Lesion 6: Disintegration of the unity of Rwandans during colonial period Impact of Rwanda's resistance to colonial rule (2 periods)	Analyse the factors for the disintegration of Rwanda Kingdom during the colonial times.	Colonial interference Weakening of the monarchy Introduction of foreign systems	Pupils will analyse the factors for the disintegration of Rwanda Kingdom during colonial period	Textbooks Videos	Class presentation about the factors for the disintegration of Rwanda Kingdom during colonial period	SSRE teacher's book for Rwandan primary schools, page 116-117	

Unit title: 10		Colonial Rwanda					Periods : 17	
Key unit competence		Analyse important events of colonial Rwanda						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning technics/approach and activities	Teaching and learning aids	Assessment	References	Weekly observ ation/R emarks
	Lesson 7: Influence of foreigners in Rwanda (2periods) Remediation	Explain the impact of foreigners who came to Rwanda and in the region.		In small groups, Pupils will analyse and discuss the influence of foreigners for who came to Rwanda and in the region	Videos Charts	Presentation from the discussion of the influence of foreigners for who came to Rwanda and in the region	SSRE pupil’s book for Rwandan primary schools, page 112-115	

Unit title: 10	Colonial Rwanda					Periods : 17		
Key unit competence		Analyse important events of colonial Rwanda						
Dates/weeks	Lesson title/periods	Learning objectives	Content summary	Teaching and learning technics/approach and activities	Teaching and learning aids	Assessment	References	Weekly observation/Remarks
Week 6 25-29/05/2026	Lesson 8: Roles of political parties (1 period)	Recognize the roles of political parties in the struggle for Rwanda’s independence	Roles of political parties. Independence of Rwanda	Pupils in groups will discuss different political movements in Rwanda and their contribution towards the independence and make presentation to the class followed by questions and answers.
